Naples, 23 November 2015

To Whom It May Concern:

This letter is to confirm that Professor RAMON FERNANDO COLMENARES QUINTERO was one of the scientific coordinators of the project title “Thermodynamic and Optical Analysis of Combustion Process in a DISI Engine Fueled with Alternative Liquid Fuels” in the context of Cooperative Agreement (prot. n. IM-CNR n. 0000720 16_03_2015) between Istituto Motori – CNR (National Research Council of Italy) and Universidad Cooperativa de Colombia.

His coordination and scientific advice is ranked as a high quality, which started on 1st of June and ended on 31st of July 2015.

Should you have any questions, you may contact me at s.merola@im.cnr.it.

Sincerely
